

Southwark Elementary School Needs You This Fall!

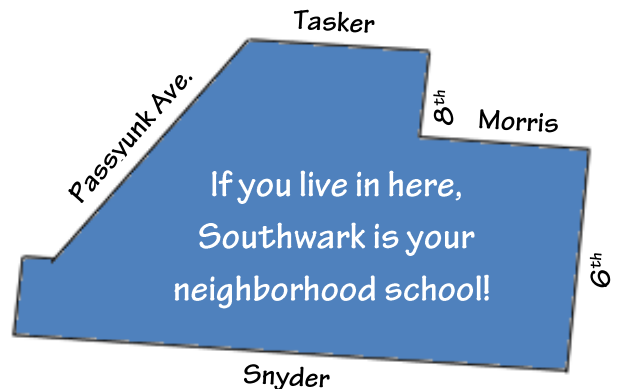

# JOIN TEAM DRAGON

Southwark Elementary will open in September without crucial support staff due to the School District's budget woes. Southwark's new principal, Andrew Lukov, has created **Team Dragon**, a group of volunteers who will provide assistance during the first week of school (September 9-13) greeting students and parents, answering phones, assisting with registration, helping in the hallways, teaching cafeteria rules, etc.

**IF YOU HAVE TIME DURING THE WEEK OF SEPTEMBER 9-13, PLEASE VOLUNTEER FOR TEAM DRAGON!**

If you are not available the first week of school, and/or want to volunteer at Southwark on a regular basis during the school year, the **Southwark Superheroes** will be the school's ongoing strategic volunteers – serving as reading buddies, math tutors, instrumental music support, library aides, and more.
