CIVIC ASSOCIATION & TOWN WATCH

Red Gravy Cook Off Entry Form

Thank you for agreeing to be in our red gravy cook-off! It is going to be an exciting event. Here are the details for our chefs:

1. We will be providing the pasta pre-cooked and in chafing dishes on the day of the event. You will put your red gravy over the pasta for serving. Everyone will have the same pasta (penne) so that does not influence the tasting. We will be serving in 4 oz Styrofoam containers. You will need to provide 3 gallons of sauce, we are anticipating about 100 people at the event. .
2. The tasting will be blind –you will bring your sauce to the Ss. Neumann Goretti HS cafeteria on March 1st at 1 pm where we will put it in a chafing dish and we will number it (you will not know which is yours). We will ask that you let us know about the following dietary concerns the day of the event: - Is it vegetarian, is there any dairy and is there any seafood. We will label sauces with only those three dietary questions (and it will only indicate a presence of the items, not what type – ie: Vegetarian, dairy free, seafood free.
3. The judges will taste the sauce at 1:30 pm and then the general public will taste from 2 pm – 3:45 pm. The winners will be announced at 4 pm once the popular vote is tallied. There will be a judges pick and a popular pick each winning \$200 cash.
4. All those entering a gravy can attend the event with one guest for free.
